Orange / Navy Yellow / Navy

Ripstop fabrics are woven fabrics, often made of nylon, that use a special reinforcing technique making them resistant to tearing and ripping.

The perforated reflective tape allows for increased air circulation, keeping the body cooler and dry, increasing the wearer's comfort.

STANDARDS

- **AS/NZS 1906.4:2010 - High Visibility Material**
The fabric used in this garment has been tested and complies with the AU/NZ high-visibility materials for safety garments standard's requirements.
- **AS/NZS 4602.1:2011 - High Visibility Safety Garments**
This garment design is compliant with Class D/N requirements and is suitable for both day and night time use.
- **AS/NZS 1020:1995 - Anti Static**
This garment is 100% cotton and doesn't generate static electricity.
- **AS/NZS 4399:1996 - Sun Protection**
In the interest of protecting workers against damaging UV radiation, all Workit garments provide UPF 50+ protection.
